Expo Tracker Lead Retrieval Options

The Expo Tracker Android tablet and Bluetooth 2-d scanner creates a very easy to use, state-of-the-art lead retrieval system that captures every lead, guaranteed, every time. Leads are stored on the Expo Tracker tablet and synced with our online Web portal. Exhibitors can also email themselves, or anyone else their lead spreadsheet directly from the ET application at any time during the show.

- Customize follow up qualifier questions directly on the tablet, at any point during the show
- Type in custom notes using the onscreen keyboard
- Email your lead spreadsheet to any email address at any time during the show or after the show.
- Scan and print leads up to 50' away from the tablet.
- iLeads gives you the option to manually input the badge number on your personal device or our rental device. Use it on all Apple, blackberry, kindle fire and Android Products and one of great things about iLeads is that you have access to your leads 24/7.

Expo Tracker Lead Retrieval takes advantage of the latest mobile technology to provide a cost effective, efficient and easy to use system. Our professional staff is available onsite for support and assistance during all setup and show hours.
