Travel & Planning

Strategy // Budget // Travel

Click the tabs above to guide you through the information. 

STRATEGY

- Begin planning 45-180 days from the show's move-in date.
 - Align event and organizational goals.
 - Define target audience.
-

OUTLINE COSTS, INCLUDING

- Exhibit Space Rental, Booth Rental, or Booth Purchase
- Show Services
- Travel Expenses
- Marketing Activations
- Sales Training
- Lead Retrieval and Measurement

TIP: Renting can be more cost-effective because the smaller investment doesn't depreciate and it offers flexibility.

The Booth: Your Brand in 3D

Click the tabs above to guide you through the information. 

DETERMINE YOUR BOOTH PLAN

- Will you rent, build, or use existing materials?
- Consider booth rental options.
- Envision a custom build? Work with designers to create a booth that embodies your brand.
- Remember: A small exhibit space can still make a big impact.

Design a memorable in-booth experience.

- No matter the size, your booth should tell a seamless brand story.
- Create an interactive experience that circles back to your brand and event objectives.
- Design the attendee journey and in-booth activations with your target audience in mind.

TIP: Order carpet padding for extra comfort during the show.

Build and Train the Right Team

- Align the booth staff (and their expertise) with the goals of your event.
- Choose team members who best represent your vision and have a knack for engaging visitors.
- Mix it up: Include sales, technical, customer service, and management reps.
- Ditch the hard sell: Focus on solving attendee challenges and creating opportunities.

RENT OR SHIP

.....

Contact Freeman® for more information on the benefits of exhibit booth rental, including shipping, storage, and more.

Go Digital

- Explore the latest event tech to drive attendee traffic and electrify engagement.
- Energize your space with interactive touch screens, lighting, video screens, and digital signage. Talk to your audio-visual partner about options for your booth and budget.

Get Social

- Keep the conversation going year-round with active social media feeds.
- Post highlights, offer insights, and encourage visitor interaction and feedback.

Show Services **Pre-Show // At-Show // Post-Show**

Read the exhibitor services communications from the general services contractor producing the event.

EXHIBITOR SERVICES KIT / SHOW MANUAL

- A manual listing of the show's official contractors will be located in your exhibitor services kit.
- Quick Facts, including all deadlines, are available on [FreemanOnline](#).

ORDER BY DISCOUNT DEADLINES

- Tip: Save costs on orders made through [FreemanOnline](#).

SHIPPING AND MATERIAL HANDLING

- Delivery options: Advance warehouse delivery or on-site delivery. Learn the difference [here](#).
- Material handling cost: Freight is weighed and billed at the dock or advance warehouse.
- Cost-saving tips:
 - Consolidate shipments; ship in crates or shrink-wrap to skids.
 - Ship to the advance warehouse up to 30 days before move-in to avoid additional charges.

TIP: Show security isn't responsible for guarding freight, so wait for your carrier to arrive, or hire a security guard.

[Learn more](#) about FreemanOnline and how we can help you.

SPECIALIZED TRANSPORTATION PROVIDERS

- Use carriers that specialize in trade show logistics.
- Bring a list of tracking numbers to the show.
- Ask Freeman for help. Our team specializes in transportation, including multi-event ordering, storing, and shipping solutions.

TIP: Exhibiting at multiple shows? Talk to your carrier about potential volume discounts. Freeman offers round-trip bundle rates on most shows.

Show Services **Pre-Show // At-Show // Post-Show**

Click the tabs above to guide you through the information. 

PRE-SHOW PREP

- Log in to [FreemanOnline](#) to view show information, orders, and show site services.

SET-UP & MOVE-IN DAY

- Align your [set-up](#) with the show's move-in hours — many U.S. events set specific times for booth installation.

Upon Arrival at Your Booth Space:

- Inventory what was shipped and delivered.
- Visit the Exhibitor Service Center if anything's missing.
- Empty and label your containers; they aren't accessible during the show.
- If you ordered labor to set-up and dismantle you booth, check in at the labor desk.

NOTE: Air conditioning and heating may not be turned on during move-in; dress accordingly.

Tip: Reduce Labor Cost by:

- Ordering labor in advance to secure discount rates.
- Diagramming your setup and numbering crates accordingly. Include electrical needs and repacking instructions.
- Prewiring equipment and organizing/color-coding all wires.
- Providing a mobile contact number for any questions that arise during set-up.

Invoicing & Payment:

- Invoices, outbound shipping information, and labels are delivered to your booth the day after the show opens.
- Be prepared. Payments are due at the end of the show and must be settled before you leave the exhibit hall.

Show Services

Pre-Show // At-Show // Post-Show

Click the tabs above to guide you through the information. 

When the expo closes, remember to:

- Confirm your dismantle labor order.
- Be patient. Depending on show size, it could take several hours for your empty containers to be returned.
- When all shipments are packed, complete the Material Handling Agreement(s) for each separate destination.
- Label every container being shipped and notify your outbound carrier for pickup.
- Go to [FreemanOnline](#) to create, save, edit, and submit MHAs from any device.
- Check the Show Quick Facts for date and time specifics.

Don't forget to debrief!

- As soon as the show closes, follow up with leads to keep the conversation going.
- Gather feedback from booth staff and attendees to improve your next show.
- Consider an on-site survey to get immediate feedback from visitors.

TIP: Have a post-show email ready to send that welcomes visitors home and recaps key info with an enticing call-to-action.

Trade Show Lingo

Click the tabs above to guide you through the information. 

Advance Order — An order for show services sent to the general contractor by the advance order (discount) deadline. Usually less expensive than orders placed on-site.

Advance Warehouse/Receiving — Location set by show management to receive freight before start of show. Freight is stored at this location and then moved to the show at the designated time.

Boneyard — A specific area used to store extra furniture and any equipment not being used during show hours.

Dark Day — Terminology for a day during move-in or move-out of the facility when show site services are shut down.

Decorating — Dressing up exhibit booths with carpet, furniture, foliage, etc.

Double Time — Refers to a pay rate for work performed that is double the normal hourly rate.

Exhibitor Service Center — A centralized area where representatives of various show services can be contacted or located.

Exhibitor Service Manual — Manual containing general information, labor/service order forms, rules and regulations, as well as other important information pertaining to exhibitor participation.

Floor Manager — Individual representing show management who is responsible for overseeing all or part of the exhibition area. He or she is also available to answer questions related to the show floor, show hours, and show services and acts as the liaison between exhibitors and the general contractor.

Freight Desk — The area where inbound and outbound exhibit materials are handled at a trade show.

General Contractor — A company providing services to a trade show and/or its exhibitors. The general contractor is the official contractor designated by show management for a given show (also called General Services Contractor, GSC, or Official Contractor).

Installation/Dismantle — Also referred to as I&D. The set-up and tear down of exhibits.

Labor — Refers to contracted workers who perform services for shows.

Labor Desk — On-site area from which service personnel are dispatched.

Material Handling — Unloading your shipment, transporting it to your booth, storing and returning your empty crates and cartons, and reloading your freight or shipment onto your selected carrier at the close of the show. The MHA is your material handling agreement.

Official Contractor — Show management-appointed company providing services to a trade show and/or its exhibitors.

On-site Order — Order for services placed by the exhibitor with the general contractor after exhibit set-up begins and is usually more expensive than an advance order.

Overtime Labor — Work performed before 8:00 a.m. and after 4:30 p.m., Monday through Friday, and all hours on Saturdays, Sundays, and holidays (varies by city).

Pipe and Drape — Pipe material with fabric draped from it to make up side rails and the back wall of an exhibit booth.

Privately Owned Vehicle — A privately owned vehicle, such as a passenger car, van, or small company vehicle, as distinguished from trucks, tractor-trailers, and other over-the-road vehicles. Exhibitors with a POV should ask the general service contractor for unloading instructions.

Quick Facts — Essential show information at a glance, provided to exhibitors by Freeman.

Show Management — Company responsible for all aspects of the exhibition.

Show Office — The show management office at the event.

Straight Time — The hours considered normal business hours.

Target Date — The specified date and/or time to move a shipment into and/or out of an exhibit hall/show site.

Transportation/Shipping — The transport of your exhibit materials to and from the convention or event.

Union — An organization of workers formed to protect the interests and rights of its members. Labor unions provide venues with a pool of workers who are experts in various areas.

Work Time — Paid time that begins as soon as the workers report to the exhibitor; stops when the exhibitor releases them from work.
